

Job Description

Job title: Casual Recreational Worker

Responsible to: Programme Manager

Salary: £9.00 per hour

The main purpose of the post:

To transport and give appropriate support to children/young people into agreed and regular social and recreational activities in their local community.

Key tasks:

Working with Children and young people

- The post holder will need to engage positively with children and young people and their families.
- To engage with community resource providers to support children and young people in activity participation e.g. bowling, tennis, rugby, skating, football, scouts, guides, community groups and interest clubs.
- To empower children/young people to participate in community activities.
- To promote the diversity, equality and rights of children and families.

Record keeping, monitoring and evaluation

- To maintain accurate session records and incident reports and provide clear written reports and data weekly to the Programme Manager.
- To contribute to internal and external monitoring and evaluation processes and ensure information relevant to these is kept up to date and confidential.

General

- To participate constructively in supervision and appraisal sessions and undertake appropriate professional development.
- To undertake training as required.
- To comply with, uphold and promote the values, aims and policies of the Hampton Trust.
