

The Hampton Trust Volunteer Application Form

Thank you for enquiring about becoming a volunteer with The Hampton Trust.

The Hampton Trust has been delivering services to families and young people, in Hampshire and the Isle of Wight, since it was established in 1996.

We aim to break the cycles of violence, abuse, conflict and social isolation through the delivery of a range of support services. The support provided involves specialised programmes delivered on an individual basis or in groups. Examples of these programmes includes work with domestic abuse perpetrators, children who have experienced domestic abuse, young people who have been convicted of violent offending, families that are experiencing difficulties, children and young people who are identified as in need, personalised support for Looked After Children (LAC), educational work with young people who are Not in Education, Employment or Training (NEET), Family Group Conferencing, and Parenting programmes.

Volunteers play an important part in the work and services we provide and come from all walks of life. We are committed to providing a high standard of training for our volunteers that can lead to an Open College Network (OCN) Accredited Certification. We can also provide a reference after one years volunteering commitment.

You will find enclosed:-

- √ Information leaflet and testimonials
